

ENEOS Import ATF

DESCRIPTION

ENEOS Import ATF is automatic transmission fluid engineered specifically for Asian vehicles, including Toyota, Lexus, Honda, Acura, Nissan, Infiniti, Hyundai, Kia, and Mitsubishi. ENEOS Import ATF is formulated with select high-quality base oils combined with unique additives developed through the advanced technology of JX Nippon Oil & Energy. JX Nippon Oil & Energy is the leading innovator and supplier of automotive lubricants to the majority of Asian automobile manufacturers. ENEOS Import ATF provides outstanding compatibility and performance for all of the service fill requirements for your vehicle applications. ENEOS Import ATF is part of the ENEOS Import Series, which also includes CVT fluids and DPS fluids. For more information, please visit www.eneos.us/importseries.

APPLICATION

ENEOS Import ATF is recommended for uses in automatic transmissions where genuine fluids in the table below are specified.

	ENEOS Import ATF				
	MODEL T	MODEL T-W	MODEL H	MODEL N	MODEL SP
Vehicle Maker	Toyota, Lexus	Toyota, Lexus	Honda, Acura	Nissan, Infiniti	Hyundai, Kia, Mitsubishi
Transmission	AT*1	AT*1	AT*1	AT*1	AT*1
Genuine Fluid	Toyota ATF Type T-IV	Toyota ATF WS	Honda ATF DW-1/Z1	Nissan ATF Matic S, K, J, D	Hyundai, Kia, Mitsubishi ATF SP-III

*1: Automatic Transmission

Note: Please consult your vehicle owners' manual for proper transmission fluid requirements. For further information, please refer to the Compatibility List on www.eneos.us/importseries.

TYPICAL PROPERTIES

ENEOS Import ATF

Test Item	MODEL T	MODEL T-W	MODEL H	MODEL N	MODEL SP	Test Method
Color	Red	Red	Red	Red	Red	
Density (15°C) g/cm ³	0.850	0.848	0.850	0.849	0.860	ASTM D 4052
Viscosity mm ² /s						ASTM D 445
	(40°C)	35.2	27.5	36.0	27.6	37.3
	(100°C)	7.23	5.70	7.40	5.70	7.46
Viscosity Index	176	154	177	156	172	ASTM D 2270
BF Viscosity (-40°C) mPa·s	15700	16400	14600	16200	15400	ASTM D 2983
Flash Point °C	224	220	224	218	213	ASTM D 92
Pour Point °C	-51	-48	-45	-51	-53	ASTM D 97

Note: Typical Properties are test data to be expected in normal production and subject to change without notice.

 **ENEOS** is the corporate brand name of JX Nippon Oil & Energy Corporation, the largest oil company in Japan. ENEOS brand is developed to exceed the highest standards of the automotive industry. ENEOS product ranges that offer optimal performance protection under the most extreme temperature variations, to ecologically friendly oil that provides superior fuel saving capacity.
